## Made in Canada

Adapted from *The Vancouver Sun*

Level 1  
October 2011

Canadians like to make new things.  
A Canadian made the electric oven in 1950.  
Cooks were very happy.  
A Canadian company made a  
robot arm for a spaceship.  
They call it “Canadarm”.  
A Canadian company  
also made a new phone.  
They call it the BlackBerry.  
In 2009, 34.5 million people  
bought this phone.
