
Making hearts

Practise your pronunciation

Choose a sound that is difficult to read. What is it? _____

Read the article to yourself. Find all the words that have the sound. Circle them.

Read the article aloud. Read by yourself, first. Then, read to someone who can listen to you. Ask them if they can hear you say the sound clearly.

If you don't have anyone to read to, you can record yourself with you phone. Or, you can listen to the audio recording of "Making hearts." Compare your speaking to the audio.

Keep practising!

Connecting with others

The hearts show support for neighbours who might be essential workers. What are some other ways you could connect with your neighbours? Think of families that might be isolating, or worried about their health and safety. Make a plan.
