Wanuskewin's baby bison

Adjectives

An adjective describes a noun.
Match the adjective from the article with the noun it describes. Some nouns might have more than one adjective.

1. _____ first	a. bison
2. _____ new	b. Indigenous peoples
3. _____ southern	c. Saskatchewan
4. _____ special	
5. _____ local	

Watch a video

Watch one of the videos about the bison in Wanuskewin Heritage Park. You can find them at the bottom of the article.

Think about what you read and what you watched. List:

- what you knew before watching
- what you wanted to know while watching
- what you learned from the video

Knew	Wanted to know	Learned

Wanuskewin's baby bison

Share an animal story

The bison are important to the local Indigenous people. Is there an animal that is important in your culture? Why? Write down your ideas here.
