Build a snow person

Order the sentences

Number the sentences in the correct order.

_____ Make a medium snowball for the body.

_____ Pack snow around the bottom of your large snowball to stop it from rolling.

_____ Make a small snowball for the head.

_____ Make a large snowball.

_____ Lift the head onto the body. Use more snow to stick the head to the body.

_____ Roll it on the ground to pick up more snow.

_____ Add eyes, a nose and a mouth to the face. Use buttons or stones and a carrot. You can even add stick arms, a hat and a scarf!

_____ Lift it onto the large snowball. Use more snow to stick the two snowballs together.

Small, medium and large
